Thank you Gayla. I just realized my email stated an accident that occurred on November 13, 2014. I am sure you realized I meant 2013, but I wanted to make sure. The accident occurred November 13, 2013.

Thank you.

Good afternoon Gayla,

We have a request. We are investigating a matter and would like any/all records you have of the oil spill that occurred in Aliceville, AL on November 13, 2014. Can you help me with this?
